Sun Jan 14, 7:00 AM ET

Aventura, FL (PRWeb) January 14, 2007 -- After two years of development, **CHRONOCASH CORP®**, a subsidiary Harriman Capital Group, Inc., an Oregon based corporation, is proud to launch on the worldwide financial markets its innovative stored value card. The principal market for ChronoCash® ATM Card™ products and services has been customers that needed payment solution for payroll or sales compensation. ChronoCash® is now branching out for provide its services to reach the global financial market.

The ChronoCash® ATM Card™ is a true bank issued, PIN-based ATM card accessible globally in over 140 countries at millions of locations.

### Benefits

- There is no qualifying process for the, as the money available on the card belongs to the card holder.
- There are no credit checks or applications required to acquire the card.
- It manages expenditures effectively, as only the amount loaded on the card is available for purchases or case withdrawals. Thus, no credit fees, overdraft charges, late fee, or interest charges are ever added.
- The cardholder has access to only the amount of money (or remaining portion after transactions) stored on the card.

A large percentage of adults working Americans, as well as many people who come from emerging Countries, do not have a bank account. These individuals have no secure way to store and carry money or to pay electronically. ChronoCash® ATM Card™ cards provide a powerful solution for this market. Since the ATM creates effective no risk to the issuer, the cards can be made available without credit or income qualification to everyone through employers and retailers.

Another principle feature of the ChronoCash® ATM Card™ is the ability to transfer

funds in real time from any ChronoCash® ATM Card™ to any other ChronoCash® ATM Card™ using a touch tone telephone or from the internet. Funds can be withdrawn at a local ATM machine or used to make a payment. It also allows cardholders to transfer funds from their card to a bank account.

These features will provide a cost effective and expedient way to securely send money to family and friends anywhere. Everyone can benefit from ChronoCash® ATM Card™, merchants, consumers, business owners, etc.

This global concept will offer to customers and merchants all over the world the ability to communicate, make payments and receive funds easily and simply using PayToo - connecting one world.

Innovative payment solutions for the next generation: PayToo and eCash4.net

Under the PayToo concept, Harriman Capital Group, Inc. will develop a new secure payment solution, available via electronic card, online or by phone - all without any added fees.

Harriman Capital Group, Inc is working on more innovative ideas to continue to tap into the growing global Financial and Telecom market, our goal to develop the best products for our market.

Harriman Capital Group Inc. is one of the first companies to act simultaneously on the telecommunications, money transfers and merchants services markets. For the first time, a company has made a merger between VoIP services and GSM services and has developed a very unique solution for all people, moving forward for linking its telecommunication services to its very easy and friendly merchant payment solutions.
